The art show, '**The Joy of a New Harvest**' is an exhibition by Siddharth Shingade who is originally from Mumbai and is an up and coming artist with a

modest but endearing personality. His first solo art exhibition '**Anitya**' held at Epicenter on September 26, 2008 was widely attended, greatly appreciated and a complete sellout.

The art show is a continuation of painter's imagery and muse of his native Marathwada, albeit, with a sprinkling of hope and emancipation in thought and process. He offers a unique synergy of styles that fuses abstract with figurative. Siddharth presents an outstanding repertoire.

'**The Joy of a New Harvest**' art exhibition is available for your viewing on Saturday, September 25, 2010 from 10.00am to 6.00pm at the Club Lounge. To support a cause Siddharth Shingade will donate 10% of the proceeds from this sale to Genesis Foundation. We look forward to your presence on Saturday September 25th at The Aralias Club Lounge.
